REIGNING 2022 CUMBERLAND COUNTY FAIR QUEEN

Jadynn Leone Kearns is the 17-year-old daughter of Bill and Sherry Kearns of rural Greenup. She will be a Senior at Cumberland High School this fall and will be involved in Cheerleading, NHS, Art Club, and Math Team. She is looking forward to her biology dual credit class to prepare her future at Lakeland College and University of Illinois studying Forensic Science.

This is Jadynn's very first time as Queen! She hit the ground running during Fair week last year enjoying the rodeo, tractor pulls, flat drags, and the demo derby. She has enjoyed parades and community events such as the Greenup Halloween celebration and Christmas celebrations in Neoga, Toledo, and Greenup. She began preparing for the Miss Illinois County Fair Queen Pageant in September with a photo shoot, attending the Central Zone meeting in October, having a send off party in January, and then finally, an action-packed weekend in Springfield from January 19th through the 22nd where she made new friends, memories, and blisters on her heels! She has also attended other events at the fair grounds including the Fall and Spring Demo Derbies, and the annual Easter Egg hunt. She enjoyed attending other county fair pageants and all the fair food a queen can eat!

Jadynn has been honored and blessed to be the 2022 Miss Cumberland County Fair Queen and getting to know and make memories with her sister queens Jr. Miss Avery and Pre-Teen Emery. This wouldn't have been possible without her sponsor, Awesome Blossoms; the fair board, directors Kristan and DeeAnn, and what she believes to be her dad's unlimited wallet.

REIGNING 2022 CUMBERLAND COUNTY JR. MISS FAIR QUEEN

Avery Jayde Rider is the 15-year old daughter of Teddy and Kayla Moore of Neoga. She will be a sophomore at Neoga Jr Sr Highschool and is looking forward to getting her drivers license, cheering, playing volleyball, and especially competing in parliamentary procedures for FFA this year.

Avery has loved representing Cumberland county as the Jr Miss Cumberland County Fair Queen. Between all the activities during fair week, and volunteering in the community, and watching her queen compete at state, she has had a blast. Avery cherishes the bond she has been able to build with her sister queens, along with her amazing director. Volunteering for events like the mouse in a house, and the Easter egg hunt are a couple of her favorite memories from this past year. Visiting surrounding areas and riding in the parades has given her the opportunity to meet a lot of other queens and of course she has loved being a role model to all the little girls who think she is a princess!

Avery would love to thank her sponsor, Flowers by Debbie, of Neoga, for the amazing opportunity to compete in the Cumberland County Fair Pageant. She would also like thank her director Kristan, assistant director DeeAnn, along with the rest of the fair board for one of the most memorable years of her life. Most of all a huge thank you to her dad for being the best pageant dad and getting her to all the activities, without you none of this would've been possible.

REIGNING 2022 CUMBERLAND COUNTY PRE-TEEN FAIR QUEEN

Emery is the 12-year old daughter of Teddy and Kayla Moore and Sasha. She will be entering the 7th grade this fall and enjoys many extra curriculars including volleyball, softball, and basketball. In her free time she loves spending time with her siblings Eden, Avery, Hudson, and Harry.

She also enjoys traveling to new places and going on adventures with friends. Emery loves Chinese food and will never pass up an opportunity to get sushi. She says her favorite season is summer because she gets to relax a little and time seems to slow down. She loves that the sun stays out longer and there is much more to do than when it is cold. However, she does not like the bugs! Her favorite color is blue and she loves all kinds of music.

When she grows up, she wants to be a nurse to help care for others. Emery has enjoyed being your Pre-Teen Cumberland County fair queen because she believes this is such a beautiful community to grow up in.

IAFE

(INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS)

NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations, which they impose, on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, a licensed veterinarian shall administer all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further consent that any action, which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
